Spread the Word – Refer a Family!

INTER-ED, a private, non-profit organization, works with the U.S. Department of State.

We have an opportunity for you to raise \$\$\$ and make a valuable connection to benefit an international student and a family in your community.

We offer a REFERRAL FEE of \$200 per family you refer to us who becomes a volunteer host family to an international high school student for next semester or school year.

Partner with INTER-ED Student Exchange, and let us help each other!
