

NEW THIS YEAR!

Receive a FREE home energy-savings kit and a reusable shopping bag! The kit includes a low-flow showerhead and three faucet aerators.

LED Holiday Light Exchange

Lights are brighter, last up to 100 times longer and provide up to 90% in energy savings when compared to incandescent bulbs. LED holiday lights are cool to the touch making them safer for you and your family and less of a fire hazard.

Exchange up to three incandescent holiday light strands for multi-colored LED holiday light strands (while supplies last).

For more information, visit the lighting turn-in calendar of events at <http://sdge.com/LEDS>
